December 2017 Edition

*From Your
 Director of Missions*

I want to say thank you for all of your encouraging words and congratulations on my recent election to the position of 2nd Vice President of the KBC. It is truly an honor to be able to serve in this capacity. There are many trips to Louisville in my future, in fact they have already begun. I also want to say thank you, because for the first time since I have been your DOM I feel like financially we are not in crisis mode, and that is only because of your faithful giving. As December rolls around I know that it often brings hectic schedules but I want to take just a moment to encourage you to see this time of year as one of the greatest outreach opportunities for your church. Recent studies show that people are more likely to go to church at Christmas than any other time of the year. So get out and invite someone to join you at your church and you might be surprised when they agree to meet you there. Don't get caught up in the chaos remember Jesus is the reason for the season.

**Enjoying God,
 Paxton**

Merry Christmas!

Church Security Training

Following the recent shooting incident at a Texas church, as well as previous incidents, there is much concern about church security and the safety of our members. Little River Association will be hosting a church security training session led by Karl Erickson, retired Green Beret and Special Deputy for the Trigg County Sherriff's Department. The training will be for all churches that would like to attend, and will be held here at Little River Baptist Association building. Please share this opportunity with your church, and surrounding churches.
